FOLIA GEOGRAPHICA

An international scientific journal for theory, research and practice of geography and related disciplines.

The journal has been published since 1959, under the current title since 1998. It is published by University of Prešov. The editorial policy of journal is not under influence of sponsors. Folia Geographica publishes original research papers and review articles, all of which are refereed by at least two anonymous reviewers. To be accepted, a paper must adhere a high standard of scholarship and make a significant theoretical, conceptual, methodological or empirical contribution to geographic knowledge. It should be grounded in the relevant literature. Moreover, the contents of journal may include book reviews, invited essays and memorials.
